OVERALL	91/100	Premium · Ready to sell at €149

How to Reach 100/100

This product is ready to sell on Etsy at €149. The 9 points to 100 are achievable with: (1) a short Loom walkthrough video, (2) a Google Sheets version of the dashboard, and (3) Canva-native template files instead of PPTX. Those would push it to 96+.
