

Ultimate Recruiting Agency Operating System — Implementation Guide

WELCOME

Congratulations on your investment in the Ultimate Recruiting Agency Operating System. This guide walks you through implementation in a logical, step-by-step sequence so you can use every resource effectively.

WHAT'S INCLUDED

- 01_BUSINESS_DEVELOPMENT — Cold outreach, proposals, follow-up sequences, pricing guide, BD CRM
- 02_CLIENT_ONBOARDING — Welcome emails, job order intake, kickoff scripts, expectations guide
- 03_CANDIDATE_SOURCING — LinkedIn playbook, boolean search library, job board strategy
- 04_CANDIDATE_MANAGEMENT — Screening scripts, assessment framework, communication templates
- 05_CLIENT_MANAGEMENT — Candidate submittal, weekly updates, feedback collection, difficult conversations
- 06_COMPLIANCE_LEGAL — Service agreement, anti-discrimination policy, EEOC checklist, record retention
- 07_PLACEMENT_PROCESS — Offer management, salary negotiation, handoff, post-placement follow-up
- 08_BUSINESS_OPERATIONS — Goals workbook, team management, recruiter training manual, KPI dashboard
- 09_MARKETING_GROWTH — Content strategy, LinkedIn playbook, referral system, personal brand guide
- 10_NOTION_WORKSPACE — 8 databases, setup guide, import-ready CSV files
- 11_BONUSES — 365 captions, 100 content ideas, success framework, growth roadmap
- 12_CANVA_IMPORTABLE_TEMPLATES — 4 PPTX files for Canva (proposal, candidate profile, job post, social pack)

IMPLEMENTATION SEQUENCE

Week 1 — Foundation: Review 06_COMPLIANCE_LEGAL. Customize and sign contracts. Set up Notion workspace using 10_NOTION_WORKSPACE files.

Week 2 — Business Development: Customize 01_BUSINESS_DEVELOPMENT templates. Launch cold outreach campaign. Set up Business_Development_CRM.xlsx.

Week 3 — Sourcing Setup: Customize boolean searches in 03_CANDIDATE_SOURCING. Launch LinkedIn strategy. Create job board accounts.

Week 4 — Full Operations: Begin using 04_CANDIDATE_MANAGEMENT screening scripts. Use 02_CLIENT_ONBOARDING for first client. Track all activity in XLSX dashboards.

Ongoing — Growth: Post 3x/week on LinkedIn using 09_MARKETING_GROWTH and 11_BONUSES captions. Track KPIs weekly in Business_KPI_Dashboard.xlsx.

CANVA TEMPLATE IMPORT

To edit PPTX files in Canva:

- Go to canva.com → Click 'Create a design'
- Select 'Import file' and upload the .pptx file
- Canva converts it to an editable design

- Edit colors, fonts, and text to match your brand

NOTION SETUP QUICK START

- Open 10_NOTION_WORKSPACE/NOTION_WORKSPACE_SETUP.md for full instructions
- Import each CSV file into Notion as a new database
- Create relations between Candidates, Job Orders, Clients, and Placements
- Build your Dashboard page using linked database views

PRICING REFERENCE

- Original Price: €149
- Launch Price: €39
