Implementation Guide

Your complete operating system for a professional mortgage brokerage.

WHAT IS THIS SYSTEM?

The Ultimate Mortgage Broker Operating System is a complete business toolkit with everything a mortgage professional needs to operate, grow, and scale a professional brokerage: lead generation scripts, compliance checklists, email templates, Google Sheets trackers, Notion workspace databases, 365 pieces of content, 4 Canva importable templates, and more.

WHAT IS INCLUDED

- 01 LEAD GENERATION — CRM tracker, outreach scripts, discovery call guide, follow-up sequence
- 02 CLIENT ONBOARDING — Intake forms, welcome packet, document checklist, kickoff script
- 03 LOAN APPLICATIONS — Pipeline tracker, lender selection guide, underwriting SOP
- 04 COMPLIANCE LEGAL — Compliance checklist, service agreement, privacy notice, anti-discrimination policy
- 05 CLIENT COMMUNICATION — 20 email templates, SMS scripts, status update calls
- 06 REFERRAL PARTNER SYSTEM — CRM, Realtor scripts, co-marketing guide
- 07 CLOSING PROCESS — Pre-closing checklist, post-closing follow-up system
- 08 CLIENT RETENTION — Annual review SOP, refinance scripts, retention playbook
- 09 BUSINESS OPERATIONS — KPI dashboard, income projection, marketing planner
- 10 NOTION WORKSPACE — 7 importable CSV databases, field map, setup guide
- 11 BONUSES — 365 content captions, 100 content ideas, FAQ guide, growth roadmap
- 12 CANVA TEMPLATES — 4 importable PPTX files for Canva designs

.pdf	Open in any PDF reader. Implementation guides and bonus content.	Any PDF viewer
.md	Open in Notion or any text editor. Used for the Notion workspace structure guide.	Notion or VS Code

CUSTOMISING YOUR TEMPLATES

Every template uses [brackets] for placeholder text you need to replace. Use Find and Replace in Word or Google Docs to swap all instances at once. Key placeholders to update:

GLOBAL PLACEHOLDERS TO REPLACE
[Your Name] — your full name as you want it to appear on all documents
[Company Name] / [Your Agency] — your brokerage or company name
[Phone] — your direct phone number
[Email] / [your@email.com] — your professional email address
[Website] / [yourdomain].com — your website URL
[Area] / [City] — your primary market or service area
[X] — specific numbers: years, days, amounts, counts — fill with your real data
