

# Legal Template Use Guide

Important information about using the contract and compliance templates in this system.

## IMPORTANT DISCLAIMER

### READ THIS BEFORE USING ANY CONTRACT OR COMPLIANCE TEMPLATE

All contracts, policies, agreements, compliance checklists, and legal documents in this system are **GENERIC EDUCATIONAL TEMPLATES** only.

They are **NOT** legal advice. They do **NOT** constitute a lawyer-client relationship.

Mortgage regulations, licensing requirements, and disclosure rules vary significantly by state and jurisdiction.

Have a qualified attorney licensed in your jurisdiction review **ALL** documents before commercial use.

Compliance requirements change. Always verify that templates reflect current regulations.

## HOW TO USE THE LEGAL TEMPLATES

| Service Agreement          | Formalise your broker-client relationship    | State law, compensation terms, scope of services       |
|----------------------------|----------------------------------------------|--------------------------------------------------------|
| Privacy Notice             | GLBA compliance — inform clients of data use | Company name, contact info, opt-out mechanism          |
| Anti-Discrimination Policy | Internal fair lending policy documentation   | Company name, complaint contact, training schedule     |
| Record Retention Policy    | Internal document management guideline       | State-specific retention periods, storage system names |
| NDA Template               | Protect confidential info in partnerships    | Party names, term, jurisdiction                        |

|                      |                                  |                                                              |
|----------------------|----------------------------------|--------------------------------------------------------------|
| Compliance Checklist | Internal pre-closing review tool | Jurisdiction-specific items,<br>lender-specific requirements |
|----------------------|----------------------------------|--------------------------------------------------------------|
