

10 Professional Canva Templates

Exact copy, dimensions, colors, fonts, and layout specs for every design.

HOW TO USE THIS GUIDE

Your Canva Templates Content Pack

This guide provides the exact copy, dimensions, color codes, font pairings, and layout instructions for 10 professional Canva templates designed for SMM agencies. Open Canva, create a design at the specified dimensions, and follow the layout and copy exactly.

QUICK START — 4 STEPS

1. Open Canva (canva.com) and click 'Create a design' → 'Custom size'
2. Enter the exact dimensions specified in each template's Specs section
3. Use the brand colors and fonts listed — copy the hex codes exactly
4. Follow the layout section and paste in the copy from this guide

TIP: Save each completed template as a Canva 'Brand Template' so your team can access and use it. Update your agency name, logo, and contact details.

5 Instagram Mistakes

Killing Your Reach

(And How to Fix Them)

BOTTOM: Swipe to find out →

SLIDE 2 — MISTAKE #1

NUMBER: 01

TITLE: Posting Without a Strategy

BODY:

Posting randomly = random results.

You need a content calendar,

clear pillars, and a posting

schedule you actually stick to.

FIX: Plan 30 days ahead. Always.

SLIDE 3 — MISTAKE #2

NUMBER: 02

TITLE: Ignoring Your Analytics

BODY:

If you are not checking what

performs, you are guessing.

Your best content tells you

exactly what to make more of.

FIX: Review analytics every week.

SLIDE 4 — MISTAKE #3

NUMBER: 03

TITLE: Selling in Every Post

BODY:

The 80/20 rule: 80% value,
20% promotion. If every post
is a sales pitch, your audience
will unfollow — fast.

FIX: Educate, inspire, entertain first.

SLIDE 5 — CTA

HEADLINE (large):

Want Us to Fix This

For You?

BODY:

We manage social media for
businesses just like yours.

FORMAT B — QUICK TIP CARD COPY

TOP: [Agency Name] | Quick Tip #[XX]

HEADLINE: How to Double Your Engagement

in 7 Days

TIPS (use icons or bullet numbers):

01 Reply to every comment within 1 hour of posting

02 Post when your audience is most active

03 Use a strong CTA in every caption

04 Mix content formats: carousel + Reels + static

05 Engage on 10 posts before and after you publish

BOTTOM: Save this post! | @yourhandle

LAYOUT NOTES

DESIGN GUIDANCE

Quote Card: Center all text. Dark or gradient background (#0F3460 to #16213E). Large white quote text with accent-color quotation marks. Small agency logo top-right.

Tip Card: Left-aligned layout. White or very light background. Dark accent numbers in accent red. Clean sans-serif font. Each tip on its own line with generous spacing.

Both formats: Always include your handle and a relevant hashtag at the bottom. Keep text in the 'safe zone' - 100px margin from all edges to avoid cropping on mobile.
