

Airbnb Co-Host Management System - Complete Guide

Your guide to launching and operating a professional co-hosting business

Welcome

- * 11 folders with 40+ files for professional STR management
- * Start with 01_COHOST_SETUP for your business foundation

The Co-Host Revenue Model

- * 20% fee on \$3,500/month property = \$700/month per property
- * 10 properties = \$7,000/month recurring income
- * Add-on services: deep cleans, listing photography, setup fee

Getting Your First Property

- * Talk to every Airbnb host you know -- offer a free trial month
- * Join local Airbnb host Facebook groups and introduce your services
- * Partner with real estate investors who own investment properties
