

Insurance Agency Operating System

Complete User Guide | Professional Edition | Value: €149 | Your Price: €39

Welcome to Your Insurance Agency OS

Thank you for your purchase! This comprehensive toolkit contains everything you need to run a professional, compliant, and profitable insurance agency — from lead generation through client retention.

- 60+ professional templates, scripts, and tools
- Complete sales process from first call to policy delivery
- Compliance and E&O; protection frameworks
- Notion-based agency CRM system with 7 databases
- 365 days of insurance-specific social media content
- 4 Canva-importable presentation templates

What's Included

- 00_START_HERE: Quick start checklist and product overview
- 01_LEAD_GENERATION: Phone scripts, email sequences, referral programs, social media strategy
- 02_SALES_PROCESS: Needs analysis, proposal template, objection handling, closing scripts
- 03_POLICY_SERVICES: Onboarding SOP, annual review system, endorsements, cross-sell playbook
- 04_CLAIMS_SUPPORT: FNOL SOP, claims advocacy guide, communication templates
- 05_CLIENT_COMMUNICATION: Email library, text templates, phone scripts, newsletter template
- 06_COMPLIANCE_LICENSING: E&O; guide, compliance checklist, licensing guide, carrier appointments
- 07_CARRIER_RELATIONSHIPS: Negotiation guide, submission guide, market access strategy
- 08_AGENCY_OPERATIONS: Hiring guide, training program, operations manual, KPI dashboard
- 09_POST_SALE_RETENTION: Retention system, annual review scripts, appreciation program
- 10_NOTION_WORKSPACE: 7 importable databases + Notion setup guide
- 11_BONUSES: 365 social captions, scripts vault, growth playbook, product knowledge guide
- 12_CANVA_TEMPLATES: 4 professional Canva-importable presentations

Quick Start Instructions

Step 1: Import the 7 CSVs from 10_NOTION_WORKSPACE into Notion (see Notion_Setup_Guide.md)

Step 2: Upload PPTX files from 12_CANVA_TEMPLATES to Canva

Step 3: Open Agency_CRM.xlsx and import your existing leads and clients

Step 4: Customize all DOCX templates with your name, agency, and contact information

Step 5: Post your first social media content using the 365_Social_Media_Captions.csv
