## 90-Day Reflection Questions

---

Answer these honestly at the end of every 90-day sprint:

- What was my #1 lead source this quarter?
- What activity produced the most appointments?
- What am I avoiding that I know I should be doing?
- Who are my top 5 referral partners and how am I nurturing those relationships?
- If I kept doing exactly what I did this quarter for a full year, would I hit my annual goal?
