

Notion Client Portal for Agencies - Setup Guide

Your complete guide to setting up and using this Notion Client Portal system

What's Included

- * 5 Notion-importable CSV databases
- * Project management templates
- * Client onboarding workbook
- * Monthly report template
- * Communication SOPs
- * Canva pitch deck
- * Complete setup guide

Why Notion for Client Portals

- * Free for clients (they don't need a paid plan to comment and view)
- * Beautiful, customizable layout with your brand colors
- * Real-time collaboration -- no email attachments
- * Clients can approve content with a comment
- * Everything in one place: strategy, content, reports, communication

Getting Started in 30 Minutes

- * Step 1: Import all 5 CSV files into your Notion workspace (10 min)
- * Step 2: Create your first client portal page using the structure guide (10 min)
- * Step 3: Share the page with your first client (5 min)
- * Step 4: Send your client the welcome message template (5 min)
